These are unaudited totals of mail ballots received by the close of each business day and are provided by Nevada's county election officials. These numbers will change ona a daily basis. Before being counted all returned mail ballots are inspected to ensure the voter information and signature matches the voter registration data on file.

\*Clark County - Undeliverable ballots will be counted after November 12th.

\*Washoe County's number of Mail Ballots Returned were previously incorrect. They were corrected at 1:52 PM on 10/23/20.

\*Carson City - "Mail Ballots Returned by Voters" was previously reporting ballots that were surrendered by voters who voted in person. This was fixed on 10/23/20. When a ballot is surrendered, the ballot is voided and cannot be accepted, even if returned.
