Hunter,

We are very excited and honored to welcome your new colleagues!

Just to confirm you would like

1. Four more keys
2. Change of name on the door and in the north entrance – please note that there will be a charge for having the new signage made and installed

Is that in addition to the key that was requested yesterday as a replacement key?

Best regards,
Cecilia

Why buy one trophy apartment when you can have two?

Hong Kong financial executive Gongwen Dong just shelled out \$33 million for a condominium at 432 Park Avenue — just three months after buying a penthouse at 15 Central Park West for \$50 million.
