I'm concerned mostly Republican precincts will be targeted.

**ATTENTION CALIFORNIA - NEWSOM CHANGED YOUR VOTING PREFERENCE WITHOUT YOUR CONSENT.** EVERY single voter in CA has had their voting preference changed to "vote by mail". This means if you go to the polls to vote in person WITHOUT changing your preference ahead of time, you will be TURNED AWAY & CANNOT VOTE. This also means you are at the mercy of the USPS to receive & then return your ballot. To change this status you MUST go to [sos.ca.gov](https://sos.ca.gov) then click the Elections icon & scroll down to click Voter Status icon. There you can check your status & check NO to mail in voting. This is different than requesting an Absentee Ballot

The Democrats are taking away our option to vote in person! The Democrats are making mail in voting our only option knowing full well that the USPS has already informed us that they might not be able to deliver our votes in time to be counted before the election!!

Did you know:

In 244 U.S. counties, there are more registered voters than there are people legally eligible to vote.

Twenty-nine states have counties with more registered voters than legal residents.

And eight states have more registered voters than actual voting-age people.
