The Honorable Christopher Wray
Federal Bureau of Investigation
935 Pennsylvania Avenue NW
Washington, DC 20535

Director Wray:

During our public hearing in the House Judiciary Committee on June 10, 2021, I asked you about the FBI's interactions with Doctor Li-Meng Yan. In response, you stated that you cannot comment on ongoing investigations.

As a member of the Judiciary Committee with oversight authority over your Bureau, I request the FBI to provide me and my colleagues interested in this subject matter with a classified briefing detailing the FBI's interactions with Dr. Yan.

I am particularly concerned the FBI may have mislabeled Dr. Yan as a counterintelligence threat, when in reality she was a whistleblower, defector, and fact witness with critical information about the role the Chinese Communist Party had in the origins of the COVID-19 pandemic.

I expect this classified briefing to take place within two weeks of this request. Please be in touch with my chief of staff Jillian Lane Wyant at jillian.wyant@mail.house.gov to organize this meeting.

Sincerely,

Matt Gaetz
Member of Congress
