For many, the election of Donald Trump in 2016 was a dream come true. For others, it came as a shock and established forces immediately began to conspire to wreck his presidency and policies. And now, a frenzy to lock him up in front of the 2024 election is turning the U.S. into a banana republic.

How can a single event provoke such strong reactions? To answer this question, we must go back in time and beyond the banalities of Trump haters, media bias, and academic prejudice and study underlying facts.

- ✓ ***Radical Betrayal*** identifies the origin of American Exceptionalism and tracks its role in the nation's rise from a handful of colonies to a superpower surpassing the Roman Empire in wealth, power, and splendor.
- ✓ ***Radical Betrayal*** shows how America's greatness is crumbling as powerful political, economic, and cultural forces on both the Left and the Right are corrupting the Founding Fathers' original vision.
- ✓ ***Radical Betrayal*** proves that Trump was only a reaction to a more than a century-old betrayal of the Founders' vision of what the U.S. should be.

**Anders W. Edwardsson** was born in Sweden. After becoming interested in history and politics, he received an M.A. in History at Uppsala University in 2002. After also studying U.S. history at the University of North Dakota, he returned to Europe to work as a field archeologist in Ireland and the U.K. After that, he moved back to Sweden, wrote two books on Swedish history, and worked as a commentator and syndicated columnist. He returned to the U.S. in 2011 to study at The Catholic University of America in Washington D.C., became a U.S. citizen in 2016, and earned his Ph.D. in Politics in 2021.
