

FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/15/2023

On December 12, 2023, Special Agents [REDACTED] and [REDACTED] interviewed [REDACTED] DOB [REDACTED] SSAN [REDACTED]. [REDACTED] provided the following information:

[REDACTED] worked for [REDACTED] in 2020. He was tasked to find people who were not registered to vote and to do whatever he could to get those people to sign up to vote. [REDACTED] girlfriend, [REDACTED] worked for [REDACTED] and recruited [REDACTED] to join her by showing him how much money [REDACTED] could make. [REDACTED] would make \$700-\$800 a week.

[REDACTED] had an office on [REDACTED] near [REDACTED]. [REDACTED] wore a green shirt with [REDACTED] on it. There was an older white guy, possibly named [REDACTED] or [REDACTED] and a black lady named [REDACTED] from [REDACTED] who would task employees daily. [REDACTED] initially drove a van to drop off workers; she dropped off [REDACTED] several times before she moved on to a different position. [REDACTED] was dropped off at different locations around Muskegon daily to find people to register to vote. Some people would register on more than one occasion.

At the end of each shift, all of the applications were turned over to the supervisors. [REDACTED] was never asked to, nor did he, ever fraudulently fill out any applications. [REDACTED] was paid hourly, not by the number of applications. [REDACTED] knew some people got more money for more signatures. Some people had their friends sign duplicate applications. If you were good at your job, you might get a promotion to driver or supervisor. There was not a quota for each shift/day.

Some people thought [REDACTED] worked for Joe Biden. If they were not getting people to register to vote, [REDACTED] and others, were tasked to go door to door to hang fliers saying to vote for Biden.

Something seemed "off" to [REDACTED]. After a short time working for [REDACTED]

[REDACTED] he quit. It was weird to find people who needed to register to vote, then to put up fliers for people to vote for Biden. After a while, [REDACTED] heard that the [REDACTED] building was raided by the police.

[REDACTED] knew a lot of people who also worked for [REDACTED]. The [REDACTED] brothers were really into it. [REDACTED] and [REDACTED] also worked there.

[REDACTED] confirmed he filled out and signed a Canvasser Contract while working for [REDACTED] (attached as a digital 1A).
